Parenting NI Research

Our recent Big Parenting Survey 2021 indicated 1 in 5 parents reported a low level of emotional and mental health at the moment and almost 1 in 3 parents reported that the COVID pandemic has had a lot of negative impact on their mental health.

Based on this research Parenting NI can deliver a range of 24 needs-led Parent Wellbeing workshops to parents to enable them to look after their emotional health and well-being.

Facilitated by a professional practitioner these one-hour workshops can be delivered in person or via zoom
